To Whom It May Concern:

This will confirm the City of Santa Clara's receipt of your Public Records Act request, received on January 25, 2019. The City is currently gathering documents responsive to your request. Due to the need to compile voluminous records, including electronic data, the City is extending the response period by an additional fourteen (14) days. To the extent any requested documents are privileged or confidential and withheld from disclosure, the City will endeavor to identify the type of document and applicable privilege.

Sincerely,
